

MASTERFLEX POST

Surface Mount Channelizer Post

BENT MANUFACTURING COMPANY

MASTERFLEX POST

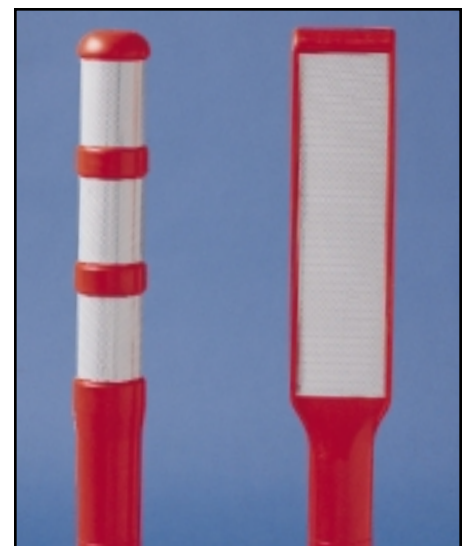

Surface Mount Channelizer Post

FEATURES:

- **The New Masterflex Post available in Two Models** — a 180° two-way direction channelizer, or a 360° full-view direction channelizer. Both models incorporate the latest molding techniques and materials technology.
- **High Impact Resistant** — the Masterflex Post is designed to withstand numerous high speed traffic impacts with minimal adverse effect.
- **New Base Technology** — a new concept in a one piece, hollow molded rubber base. Made from the highest elastic natural rubber available (Hy-Last®).
- The Masterflex Post is also effective in K-marker applications.

(Available in molded recess style)
