T-TOP DELINEATOR POST

The Newest Innovation in Portable Delineator Posts

FEATURES:

- Standard with molded lower handhold grip.
- Convenient T-top carry handle (a Bent Mfg. Co. exclusive) and molded in bolt hole for flashing light.
- Improved recesses create a deeper area for reflective bands—stronger ribs provide maximum band protection.
- Bent T-top delineator posts are manufactured using state-of-the-art technology. New precision molding machines produce consistent, high quality parts.
- Tested and certified to meet the crashworthy requirements of NCHRP-350.
